LT. GOVERNOR

Dear Friends:

We are pleased to extend greetings and best wishes to the athletes, coaches, students, families and supporters gathered for the New Jersey State Interscholastic Athletic Association Spring 2016 Championships.

Involvement in high school sports enhances strength, focus and coordination while building teamwork, character and leadership skills. These lessons will serve student-athletes well throughout their lives, improving performance at school, at home and in the workplace.

All of today's participants should take great pride in the many accomplishments and hard work that has earned them the opportunity to participate in these championships. We wish all of them the best of luck as they take part in their games.

Best wishes.

Sincerely,

Chris Christie

NJSIAA Assistant Director Don Danser

Don Danser planned to retire this December from NJSIAA. He passed away suddenly in June, shortly after conducting the summary meeting for Spring Track and Field.

Danser, who served as the track and field and cross-country tournament director for the NJSIAA for many years, was an Assistant Director with the NJSIAA since 2001.

In 1972, he took a job at Rancocas Valley as an English teacher. After serving as an assistant coach of cross-country for a few years, Don became the head coach at Rancocas Valley in 1976. He went 81-39 with two league and one county championship in his 10 years as head coach. He was also an assistant track coach for eight years.

Don became a track and field official in the mid 1970s, and soon became the director of every major meet in South Jersey. In the early 1980's, Danser became the Program Director for the South Jersey Coaches Winter Meets held at various colleges (Widener, Swarthmore, Haverford) and became assistant director for the NJSIAA State Group and State Track and field Championships. In the mid 1980's, Danser became co-director of the state indoor and outdoor championships, and in 1991, the director. In 1997, he became director of the state cross-country championships as well.

Don retired from teaching at Rancocas Valley in 1997 to take a position at the NJSIAA as project manager. He remained Tournament Director for cross-country, indoor track, and outdoor track. In addition, Don became responsible for the championship souvenir programs. In 2001, Danser was promoted to Assistant Director of the NJSIAA in charge of Cross-Country and Track, major NJSIAA publications, and assisting with other sports and NJSIAA projects.

Don Danser's contributions to the sports of Track and Field & Cross Country were many. He was innovative in the integration of technology in scoring and recording results. He was the authority on rules and regulations and he led through his hard work and dedication to the sport. He will be missed. As we move forward in continuing to provide opportunities to our student athletes, Don will be remembered as a mentor, advocate and true friend to our track community.

Mission Statement

The NJSIAA, a private, voluntary Association serves its student-athletes, members schools and related professional organizations by the administration of education-based interscholastic athletics, which support academic achievement, good citizenship and fair and equitable opportunities.

We believe that member schools, along with their leagues and conferences, share these convictions:

- A safe and healthy playing environment is essential to our mission.
- Participation in interscholastic athletics enhances the educational experience of all students.
- Interscholastic athletics is a privilege.
- Excellence in both academics and athletics is pursued by all.
- Interscholastic participation develops good citizenship and healthy lifestyles, fosters involvement of a diverse population and promotes positive school/community relations.
- Rules promote fair play and minimizes risks.
- Cooperation among members advances their individual and collective well-being.
- Training of administrators and coaches promotes the educational mission of the interscholastic experiences.
- Properly trained official/judges enhances interscholastic competition.
- The NJSIAA is the recognized state authority on interscholastic athletic programs.

The NJSIAA is composed of **435** member high schools. It provides more than **265,000** student-athletes opportunities to participate in nearly **3,000** games, workshops, clinics and other NJSIAA-sponsored activities within a given year. The NJSIAA offers more championships for its student-athletes than any other state in the nation:

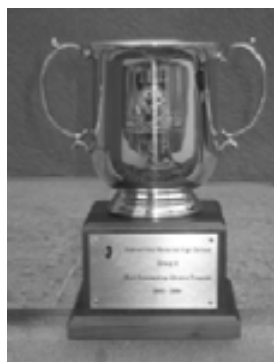

For Boys: Cross-Country, Football, Soccer, Basketball, Bowling, Fencing, Ice Hockey, Swimming, Diving, Indoor Track Relay Championships, Indoor Track Individual Championships, Wrestling, Baseball, Golf, Lacrosse, Outdoor Track Championships, Tennis, and Volleyball.

For Girls: Cross-Country, Field Hockey, Gymnastics, Soccer, Tennis, Volleyball, Basketball, Bowling, Fencing, Swimming, Diving, Indoor Track Relay Championships, Indoor Track Individual Championships, Golf, Lacrosse, Softball, and Outdoor Track Championships.

Competitive athletics is nothing more than playing according to a set of rules. Sports are the greatest example on earth of the practical application of the Golden Rule. Your support and encouragement of our high school sports program are earnestly invited.

They have big dreams.

We help make them happen.

At Wakefern-ShopRite, we know it takes team effort to reach a goal. That's why we're proud to "team up" with NJSIAA as a Corporate Partner sponsoring the **NJSIAA ShopRite Basketball Championship**. We established the **ShopRite Cup** to recognize the top-performing high school athletic programs in the state. On the field or behind the scenes, ShopRite supports those who help student-athletes shine bright. It's just something a good neighbor should do. After all, we live here, too.
